

# SNOMASTER WARRANTY POLICY

Tel: (011) 454-2278 or (011) 454-3338 www.snomaster.co.za

This product was tested by Snomaster before delivery.

A credit will only be passed for a faulty appliance if returned within 7 days from date of purchase in the original packaging and proof of purchase.

Calculated from date of purchase the warranty period is 3 years on the 12 volt DC Compressor, 1 year on the 220 volt compressor, 1 year on the evaporator, condenser fan & cabinet.

**NOTE: 3 months on the transformer/power supply/digital temperature indicator.**

Snomaster warrant that they will repair free of charge or replace at their designated service agent any part of the appliance, which in their opinion is defective due to faulty components or shoddy workmanship.

Specifically excluded from warranty is:

1. Damage caused as a result of connection to incorrect or fluctuating voltage supply.
2. Labour charge involved where sole cause of malfunction is a blown fuse or customer abuse.
3. Damage which in the opinion of the warrantor is caused by faulty installation, normal wear and tear, dirt, neglect, accident or other similar cause.

The warrantor Snomaster **does not** accept any responsibility for:

1. Liability and consequential damage in respect of loss or expenses arising from the malfunction of this appliance.
2. Freight costs or damage which may be incurred during transit to and from our designated service agent or our Head Office.
3. Repair to appliance on which modifications or repairs have been carried out by persons not specifically nominated by the warrantor as being authorized Snomaster personnel.

Your attention is drawn to the fact that this warranty is authorized by Snomaster and cannot be varied by other.

.....  
WARRANTY IS NOT VALID UNLESS THIS PORTION IS COMPLETED AND POSTED TO:  
SNOMASTER, P.O. BOX 620, EDENVALE, 1610, WITHIN 14 DAYS OF PURCHASE.
